Centennial Canoe Visits Here

Drayton Valley was the end of the line Sunday for canoeists who tested the first canoe completed for the Centennial Across Canada Canoe Race in 1967.

The run from Rocky Mountain House to Drayton Valley with a crew of candidates for the Centennial Team took eight hours and forty minutes, arriving here shortly before 5:00 p.m.

Canoes for the race are being built in New Brunswick and are designed as working replicas of the canoes used in the early days of the fur trade.

According to Mr. John Nickel, Commodore of the Alberta Canoe organization, fifteen to twenty canoeists are now training and of these eight will be selected to represent Alberta in the Centennial race.

Two Drayton Valley men, Reg Samis and Dave Ellery, took part in last Sunday's run and next weekend Dave Maclure, another of the Drayton Valley canoe racers, will be a member of the crew when the canoe makes a second test run from Edmonton to Lloydminster.

Later this summer the race canoes will run test races from Fort St. James to Vancouver and from Montreal to New York.

Golf Club Makes Plans For Junior Activities

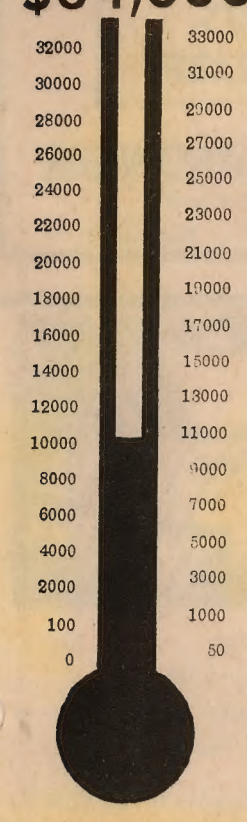
Last Saturday morning some 16 golfers of junior age turned out to take advantage of golf lessons courtesy of the Drayton Valley Golf Club and under the direction of Bill Guild and Dr. H. Shimbashi. The object of the programm is to build up a junior club in Drayton Valley which will be as strong as any junior club in the country.

All juniors joining the club will have to be affiliated with the Drayton Valley Golf Club either through a family membership or an individual junior membership. Memberships can be obtained through treasurer, Joe Byciuk at the Royal Bank or through membership chairman, Howard Ganske.

There will be a starters junior tournament for all junior golf club members on the 11th of June beginning at 8:30 sharp. There will be flights for every age as well as every class of golfer. The only stipulation is that all entrants must be registered with the junior golf club no later than June 4th.

All interested junior golfers under the age of 19 are welcome to attend the club meetings every Saturday morning from 9:00 to 11:00 to pick up a few golf tips and have a round of golf. Next meeting date will be May 21st when Bill Guild will be showing the secrets of the wonderful driver.

Centennial Fund $34,000



The following is a list of donors who contributed to the Centennial Fund last week.

Pembina Ladies Group; Mrs. Cornelia R. Wood; Ralph Hook; G.C. McMorris

Air Cadets Annual Inspection

The annual inspection of the R.C.A.F. Cadet Squadron #733 of Drayton Valley will be held on Thursday evening, May 19, 1966.

The inspection parade will be held in the curling rink and will start at 8:00 p.m. All parents, relatives and friends of the local Cadets are welcome and all concemed should make an effort to attend this function.

The Cadet Squadron will continue its regular Thursday evening training sessions until mid-June. After this a number of the local Cadets will attend the annual summer camp for all Alberta squadrons

Curling Club to Hold Klondike Ball in July

The Curling Club announced today that they will be hosting the Klondike Ball on the 15th and 16th of July during Klondike Kampers Karnival. The club will be set up for dining and dancing with some top entertainment for the guests to enjoy. The club will be hosting some top personalities which will be limited to 250 couples each evening to assure everyone coming of plenty of elbow room.

During Klondike week the curling club will change its name to the Klondike Inn and will be referred to as such. Klondike Dress will be in order as we expect to see the frills and thrills of the Klondike Days. Tall hats, beards, canes, vests, and all the other scenes from those wonderful days will be brought back to life.

At 60 miles an hour, with good brakes and dry pavement, it is difficult to stop, allowing for reaction time, in much less than the length of a football field.

Drayton Valley Golf Club

OFF THE TEE

With the beginning of a new golf season in Drayton Valley the local golfer can be assured of the best season in the history of the Drayton Valley Golf Club. During the past few weeks the club executive have spent considerable ime in planning the coming season. Among these plans are the opening of the new #8 and #9 fairways; the rebuilding of seven of the existing greens; the completion of a club house; and tournaments and competitions for every class of golfer.

Anyone who has played the course recently has seen the work that has already been done, and Gunnar Neilson, the chairman of the Greens Committee, assured us that this is only the beginning. His plans are to have the local fairways and greens comparable with those of any other course in the area. Sand and oil are being stockpiled and Greens Keeper, Halvor Nordby has already started the big job of repairing the existing greens.

Thanks to Big Country Machinery and the Town of Drayton Valley, for the use of certain equipment, we were able to give the new 8 and 9 fairways their first cutting of the year. For the golfer who feels he has mastered the present nine holes these new fairways will offer a real challenge. Number 8 is a 400 yard par 4 with a dogleg to the left and offers nothing by trouble and lost balls for the player with a slice. Number 9 offers no more being a 450 yard par 4 and demanding a long accurate second shot through a narrow opening onto a well protected green. For those who have criticized the wide open spaces of the existing nine holes, these new holes are bound to add on strokes, lost balls and countless grey hairs.

Cont. on Page 2

F.U.A. Local Plans Picnic

At the May meeting of the Drayton Valley local of the F.U.A. it was decided to go ahead with plans for a picnic at the Pembina River picnic grounds on Farmer's Day.

Mrs. Albert Hodgson and Carl Anderson volunteered to make arrangements for the event with Mrs. Hodgson in charge of refreshments and Mr. Anderson to make arrangements for work on the grounds.

It is hoped that a few more improvements can be made at the picnic site and anyone wishing to help is asked to contact either of the two mentioned above.

Tennis Club Faces Decision

A meeting of the newly formed Drayton Valley Tennis Club will be held in the Recreation Office on Wednesday, May 25th at 7:00 p.m.

All interested persons are requested to attend this very important meeting. The future action taken by the club in relation to the building of tennis courts will be decided at this meeting. Make it a point to be at this meeting.

2014.18.193C

Golf Hopefuls Get Tips

Instructions for junior golfers started at the Drayton Valley course last Saturday with Bill Guild and Dr. Henry Shimbashi instructing. Above Bill Guild (left addresses members of the first group out who are from left to right, Pat Hurley, Lee Hurley, Mike Andrews, Alan Mattoon, Cherryl Smith and Lil James. In front of Lee Hurley is Michael Shimbashi.

Off The Tee

Cont. from Page 1

The final phase of the overall plan for this year is the completion of a club house. This will provide facilities for tournaments, club socials, family barbeques, and everyday club use. Work has already started on the rafters, and any day now you will begin to see this building taking shape.

To go along with the challenging fairways, good greens and club house facilities, the executive are making plans for numerous tournaments and competitions. The first tournament will be the Esso Club Tournament on May 28th followed by the Drayton Valley Open on June 5th and the Oilmen's Tournament on June 25th and 26th.

The new score cards donated by Mort Suitor on behalf of USI, enable the player to record his score against his handicap. Every member is asked to sign his card and turn it in at the starters building. His handicap will be calculated and posted on a Master Handicap Board to be installed at the Club House and will be used throughout the season in various tournaments and competitions being planned.

Put all these plans together and they will undoubtedly add up to the most successful year of golfing we have seen in Drayton Valley. But plans are only plans and to see them through the executive is relying on a 100 percent turn out at work parties on the evenings of May 24, 25 and 26th. During the next few days as many members and prospective members as possible will be contacted by a member of the Club Executive, at this time each person should be prepared to work one evening out of the three mentioned above. A few hours from each member is all we are asking surely this isn't too much when the final result will be an excellent golf course. Let's have everyone out get the job done and get down to some good golfing

Don Sanderlin Wins Award

Don Sanderlin of Edmonton, son of Mr. and Mrs. E.H. Sanderlin of Drayton Valley, won high over-all honors in the 10th annual Spokesman Review Pacific Northwest Telegraphic Skeet Tournament at Spokane, Washington recently.

Mr. Sanderlin and Phil Giger of Spokane wound up the 400-bird, three-day shoot with 376 after Sanderlin posted the only 100 straight in the 12 guage competition. In the sudden death shoot-off he won after three targets.

Last Sunday, Mr. Sanderlin scored top honors in the Lloydminster Spring Skeet Shoot championship.

A car that develops 100 horsepower at sea level, has only 82 horsepower at an altitude of 5,000 feet.

Boys' Baseball Faces Threat

To play baseball or not to play baseball; that is the question that is troubling the Drayton Valley Athletic Association right now. The problem is that approximately 120 boys between the ages of 7 and 12 years of age have signed up to play baseball, however, for this troop only four coaches are available. This is barely half enough manpower to carry out the program. Thus the question as to what is to be done in this situation.

The Association held its regular monthly meeting last Thursday and this problem was duly discussed and the following decision was reached. At present there are four teams organized with the four available coaches. The maximum number of players on any one team is fifteen boys. This means that sixty boys or half of the registered group will be able to play baseball. The other sixty youngsters could be out in the cold as far as organized baseball is concerned. If by Monday, May 23rd sufficient coaches are not available to organize a league to serve all registered players, a four team league will be organized comprising the four teams that presently have coaches while the other sixty boys will be refunded their registration fees and sent home. This is a hard decision but the Association is faced with hard facts and has no alternative but to draw this line. We cannot expect four men to handle 120 youngsters, yet we feel that there should be organized baseball at the Little League and Pee Wee levels within the limits of our manpower as far as coaching is concerned.

Anybody with some spare time on their hands who would like to help out with the baseball program can get in touch with the president of the association, Clayton Rosenberger, phone 542-3864 or call the Recreation Office at 542-3327. Help is urgently needed if sixty boys are going to play organized baseball this summer.

Health Unit First Quarterly Report

Dr. J.M. Brown, Medical Officer of Health, reports no staff or board changes in his first quarterly report to the Edson Health Unit Board for the period January 1st to March 31st, 1966.

EPIDEMIOLOGY

The incidence of Communicable Diseases reported to the Health Unit office during this quarter was higher than the two previous quarters. This has been due in large measure to an epidemic of measles which principally affected the Drayton Valley district.

This epidemic unfortunately commenced before the young children could be protected under the new Measles Vaccination Programme. Gamma Globulin was given to family contacts under three years of age. No serious complications of this outbreak of measles have been reported to the Health Unit.

A considerable number of cases of Streptococcal Sore Throat and Scarlet Fever were reported - again mainly from the Eastern end of the Unit. However, the incidence appeared to be quite widespread in the area. The principal danger of such infections rests in the possibility of Rheumatic Fever as a complication. The need for adequate treatment and the attempt to prevent the spread of such streptococcal lesions should be widely encouraged.

Four cases of food poisoning occurred during the latter part of March. The onset was sudden and specimens revealed no organisms. The cause was therefore likely to have been a staphylococcal intoxication. The patients made a speedy recovery and no other cases were known to us.

INFLUENZA COMMON

There have been many cases of Influenza in the Health Unit district in common with many other areas of this continent. In some, the respiratory tract was affected whilst in others, gastro-intestinal symptoms presented. There is no doubt that a mixture of organisms was responsible for these illnesses.

Influenza is not a notifiable disease in this province and consequently it is impossible to estimate the total number of cases. In schools however, the attendance in many classrooms dropped well below the usual sickness absence for this period of the year.

In the first quarter one hundred and twenty-three adults were skin tested and of these, eight were found be positive reactors. Thirty-five child contacts were tested with three positive reactors. One thousand and thirty-five students were tested and of these six were positive reactors. All positive reactors in the above groups were X-rayed with negative results. Sixty-five re-rays and thirteen chest X-rays were taken.

Sixty-four clinics were held during this quarter with a total attendance of 2,951. The average attendance was 46.1. The increase in attendance was due in large measure to the introduction of the measles vaccine program for children from three months up to the third birthday.

COMPLAINTS INVESTIGATED

Numerous public health nuisance complaints were investigated during this quarter. The majority of these complaints were due to unsatisfactory methods of garbage disposal at several apartment blocks.

Inspections of the Alberta Resources Railway construction camps revealed sanitary conditions and facilities to be of a very high standard. With the modern type portable camps, first class accommodation and eating facilities can now be provided in remote locations.

The bulk tank milk pick-up commenced with relatively few problems, and raw milk samples lifted indicated favourable results. Several producers still have some finishing work to be completed on their milk houses. A closer relationship can now be maintained with the producer being that all raw milk sampling is done at the producers premises. The Northern Alberta Dairy Pool trophy for the best quality raw milk was again awarded to Mr. V. Madlung of Sangudo.

All milk products have been sampled regularly and results in general have been satisfactory.

All municipal water supplies have been regularly tested with satisfactory reports received. Private water supplies are checked on request.

The Canada-U.S. boundary 3,989 miles in length, was mainly fixed from the Atlantic to the Lake of the Woods by the Treaty of Paris, 1783.

PUBLIC NOTICE

By the Board of Trustees of the Stony Plain School Division No. 23, of the Province of Alberta,

WHEREAS it is deemed expedient by the Board of Trustees of The Stony Plain School Division No. 23. of the Province of Alberta, that the sum of One Hundred Fifty Two Thousand Three Hundred Twenty four Dollars ($152,324.00) **Dollars should be borrowed on the security of the said Division by the issue of Debentures, repayable to the bearer in** Twenty five (25) **equal consecutive annual instalments, with interest at the rate of not more than six per centum per annum for the following purposes, namely:**

Demolishing 3 classrooms in the Entwistle School District No. 1936 and adding 1 classroom, 1 Science Experience Classroom, 1 Science storage and preparation room, 2 ancillary rooms and library, 1 Vice-Principal's office, 1 staff room and 1 work room at the following cost:-

Cost of Demolishing & Renovating	$ 4,980.00
Cost of new Building	134,756.00
Architects & Engineers Fees	6,788.00
Furniture & Fixtures	5,800.00
	$152,324.00

THEREFORE, notice is hereby given by the Board of Trustees of the said School Division that unless a poll for and against the said debenture loan is demanded, as provided in The School Act, the said Board will apply to the Local Authorities Board **for authority to borrow the said sum by debentures.**

Of which all persons interested are hereby notified and they are required to govern themselves accordingly.

DATED at Stony Plain, Alberta,

This 11th **day of**

May **1966**

F.W. MADDOCK
CHAIRMAN

INSTRUCTIONS TO PROPRIETARY ELECTORS IN A SCHOOL DIVISION

A poll may be demanded in a School Division by a demand signed by five proprietary electors of each of at least twenty per cent of the districts in the division.

Every demand for a poll must be delivered to the Secretary of the Division or, in his absence, to the Chairman of the Board of Trustees, within Fifteen days after the date of posting or of the last publication in a newspaper of this notice. A certified copy of the demand must be forwarded forthwith to the Board of Public Utility Commissioners of Alberta, at Edmonton.

"Proprietary Elector" means an elector who is liable to assessment and taxation for school purposes in respect of any property situate in the School Division.

Preserve Your Heritage

If you have anything of historical value such as a printing press, a miner's lamp, a butter churn or some pioneer clothes, you are one of the people the Provincial Museum and Archives staff would like to contact.

They need your help in locating and obtaining articles and collections for the Museum, now being built on the old Government House grounds in Edmonton. The Museum will be opened in 1967 as Alberta's official Confederation Memorial Project.

It has been designed to provide Alberta residents with a dynamic portrait of their rich heritage by depicting the lives and goals of the men and women who built this great province.

If you think that you have anything to contribute towards preserving the story of our pioneers, you are asked to contact the Provincial Museum and Archives Branch, Department of the Provincial Secretary.

District Press Coverage

The editor of this newspaper wishes to let it be known that we are happy to provide pictorial and editorial coverage of events taking place in communities in The Western Review circulation area.

Naturally, it is almost impossible for us to keep track of everything taking place over this wide area and ask that you write or phone The Western Review to let us know about achievement days, testimonial events, official openings, etc. or anything which may warrant a little extra coverage.

This is not intended to replace the work of our correspondents, but rather to help them produce more complete coverage of their community's activities.

Growth of a Nation

Half of the fun of any party is in the anticipation of it.

And this is especially true of Canada's biggest party ever--the celebration of her 100th birthday.

As a preparation for the Canadian Centennial celebration, The Western Review last week began an exclusive weekly 24-part series, CANADA'S CENTURY.

Canada's Century tells what Confederation is all about, tracing Canada's growth from a struggling little colony to one of the great nations of the world today. The series gives the full story of what motivated the Fathers of Confederation to found a nation, and how they overcame the critical obstacles that lay in the path. It unfolds the entire background of Canada's development in agriculture, industry, science, sports and culture.

If you want to know more about Canada and her heritage, then follow Canada's Century weekly in The Western Review.

A Nation Of Many Origins

(Second Of A Series)
By WALT McDAYTER

Although Britain and France are recognized as Canada's two founding nations, neither country can claim credit for being first to set foot on our shores.

The Norsemen of Scandinavia were the first Europeans to step upon our soil, about 1,000 A.D. It took another 500 years for Britain to plant its flag in Canada, but even then it was done not by a Briton, but by an Italian. He was Giovanni Caboto (John Cabot), who sailed for Henry VII in 1497, landing at New Found Land and claiming it for the English king.

Jacques Cartier is often called the first man to explore New France, although the credit here too must go to an Italian. Giovanni da Verrazano led the expedition to Cape Breton in 1524, with Cartier merely accompanying him, and Verrazano wrote "Gallia Nova" (New France) on the map of the world for the first time. Not until 10 years later did Cartier lead his own ship into the St. Lawrence.

But if Britain and France were not the first to arrive here, they were the two who did most to build our country, to give us our laws and customs. For this reason they alone are considered Canada's two motherlands, though we recognize the contribution made by many other countries to our cultural mosaic.

In 1867, of Canada's 3 1/3 million population, only about 8 per cent. was of other than British (61 per cent.) or French (31 per cent.) origin. In our last national census, 1961, the British ratio had shrunk to 43.8 per cent., the French hovered at 30.4 per cent., while people of foreign origin now represented an impressive 25 per cent.

Of this figure, Germans comprise the largest group, totalling 5.8 per cent., and could date their presence in Canada back to 1753, when a group of 1500 settled at Lunenburg, N.S.

Ukrainians make up the next largest racial group, and have added almost ½ million people to our population since the first two Ukrainian pioneers, Vasyl Eleniak and Ivan Pylypin, arrived here in 1891.

Icelanders were even earlier immigrants, with 150 settling in Ontario as far back as 1873, and soon after established a thriving community at Lake Winnipeg. Mennonites settled in Manitoba in 1874, and after 1880 came a welcome flood of Hungarians, Norwegians and Swedes into the Canadian West.

From Italy, Netherlands, Poland, Russia, Austria . . . from every corner of the world they came.

(Granted, our Asiatic population is slight. In 1900, British Columbia excluded Asiatics from the province by law, but this was revoked by Ottawa. Ottawa, in turn, discouraged Orientals by imposing a head tax of $500 for each Chinese immigrant. Fortunately, our immigration laws were revised in 1962, placing stress for entry on education and skills, rather than race or color.)

Canadians are proud of their origins, and unlike the United States, do not boil away the traditions and customs of their ancestors in a massive melting pot. Canada is one of the few countries in the world, if not the only one, which still tabulates racial origin in its national census.

Yet Canadians are equally proud of their distinct Canadian identity and heritage. And since Jan. 1, 1947, they have had a common tie that binds them together. From that date on, for the first time in our history we could proudly call ourselves . . . "Canadian Citizens."

Evansburg News

Mrs. Bruner, Correspondent

Sorry about the news that didn't appear in the paper last week. Had to make a real quick trip to the Drayton Valley hospital with one of the boys just at the time the news should have been written. We are glad to report that Grant's hand is on the mend now.

Also, to take up writing time was a trip made to Edmonton in the company of Mr. and Mrs. Mazeppa, Alan and Kenny.

The Agricultural Society held their monthly meeting at the Kostiuk home in Wildwood. Many final matters concerning the fair book were discussed and the book is now in the hands of the publisher. Of interest to exhibitors of livestock is the fact that if there are more than four animals of a special breed to be exhibited, those animals will be judged in a class by themselves. This applies to all cattle and especially to sheep classes where the number of exhibits has been especially heavy. It was reported that the PV Ranch of Evansburg are donating a trophy to be given to some lucky exhibitor in the horse classes. A successful burning bee was held at the grounds and now the place looks quite neat. The next meeting is to be at the home of the Bruners in Evansburg and take place the second Wednesday in June.

Our Cubs are now holding their pack meetings outside in the school grounds and practising various contest games. Scouts are laying plans for their camping to take place soon.

A Centennial Workshop was held in the School Auditorium with many interested parties attending. Many good ideas were presented and if only a few are put to use, gala celebrations should be the order of the day when the Centennial Caravan comes to the village on July 1st, 1967.

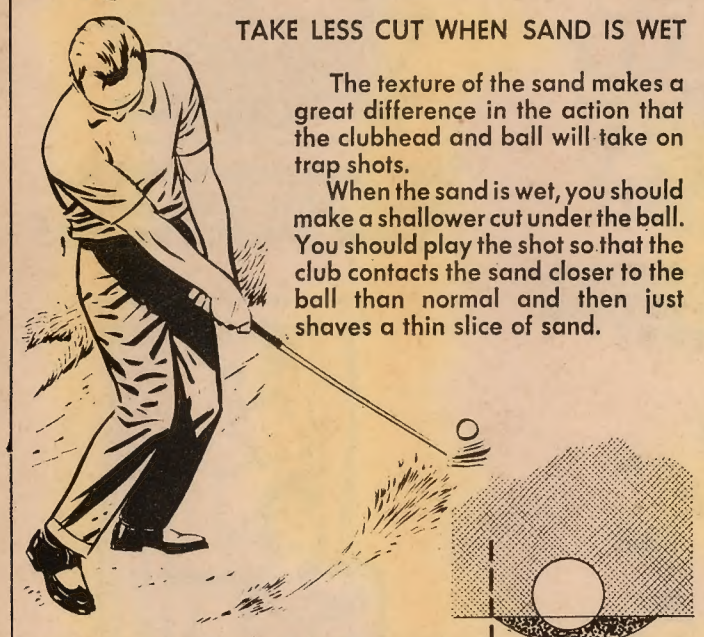
THE ARNOLD *Palmer Method*
by GOLF'S 4-TIME MASTERS WINNER

TAKE LESS CUT WHEN SAND IS WET



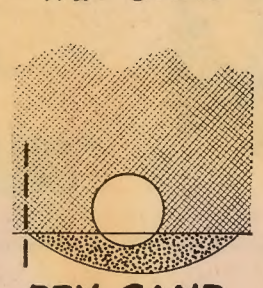
The texture of the sand makes a great difference in the action that the clubhead and ball will take on trap shots.

When the sand is wet, you should make a shallower cut under the ball. You should play the shot so that the club contacts the sand closer to the ball than normal and then just shaves a thin slice of sand.

WET SAND

Wet sand will resist your clubhead more than will dry sand. Whereas your club might cut readily through dry sand, it will slow down considerably in wet sand—unless you make a shallow cut.

On shots from wet sand, imagine that you are making your first cut when peeling an orange. Don't cut too deeply or it will squirt all over your hands.



DRY SAND

Regular Meeting of Separate S.D. Board

The regular meeting of the Board of Trustees of the Drayton Valley R.C. Separate School District No. 111 was held at St. Anthony's School last May 1st at 8:00 p.m. In attendance were: Mr. Meraw, Chairman; Mrs. McGee, Vice-Chairman; Mr. Telford, Trustee and Mr. A.E. Andruschak, Secretary-Treasurer.

A discussion took place regarding the holding of an annual meeting, and upon consulting the School Act it was found that it would be more desireable to hold an annual meeting this fall when nominations would be received for the two seats on the board which would expire at that time. On a motion by Mrs. McGee an annual meeting on the third Sunday of September was approved.

Mr. Telford moved that a $100 award be made to the first student of St. Anthony's School who succeeds in winning the Governor General's Medal for achieving the highest honor marks in Alberta. The motion was passed unanimously.

The Secretary-Treasurer recommended that future regular meetings be held on the second Sunday's of each month as it was impossible to furnish monthly financial reports to the Board for their examination. Mrs. McGee moved that Mr. Andruschak's recommendation be approved and the motion was passed. The times of the meetings will be set prior to each meeting.

The secretary reported that two teachers have accepted offers of employment to teach for the coming term, and the Board confirmed the applications after due consideration.

The Drayton Valley Community Baseball Association advised the Board that they would erect a baseball backstop and prepare the playing area providing they had priority to use the field after 6:00 p.m. for the duration of their schedule which will last from May 16th to approximately the end of July. They requested that the Board furnish the wire mesh for the backstop, and upon considering the proposal the Board accepted the move favourably.

The 1966 proposed Budget was tabled for examination and after a period of discussion and adjustments the proposed budget was approved by the Board. Total revenues and expenditures anticipated for the operating year equalled $121,615.89.

The Board agreed unanimously that a letter be forwarded to Mrs. I. Sigurdur congratulating her on her successful efforts in producing choir and solo winners at the recent Edmonton Kiwanis Music Festival.

A discussion took place regarding the construction of a sidewalk around the school building and the Secretary-Treasurer was directed to contact various contractors in Drayton Valley to receive bids on the subject work.

The Secretary-Treasurer advised that Mr. Orieux had indicated that registrations will be advertised with times and dates in the Western Review.

The next regular meeting will be on June 12th, 1966 at St. Anthony's School.

Buck Creek News

Mrs. Gladys D. Stec, Correspondent.

Get well wishes go out to Mr. Steve Safronovich of Brooks, Alberta, who is a patient in the University Hospital, Edmonton.

Congratulations to Mr. Lud Fremstad who has purchased a new truck.

Mr. and Mrs. Krist Steffensen motored to Ponoka recently to visit Mrs. Steffensen's father who is ailing.

The next meeting of the B.C.W.W. ladies club will be held at the home of Mrs. Donna Haukedal, on May 19th

We are glad to hear little Darlene Stec is home again after a stay in Drayton Valley Hospital.

Take life as you find it, but don't leave it that way.

Scattering Weed Seeds Illegal in Alberta

Did you know that it is illegal in Alberta to scatter weed seed infested grain along highways or other road allowances and to transport screenings which are not confined in tight containers?

W. Lobay, Supervisor of Soils with the provincial Plant Industry Division, points out that municipal weed control inspectors have no option but to take action against anyone who does not take proper precautions to prevent the scattering of weed seeds during their transportation. He says other weed control authorities and agricultural fieldmen are also concerned about the scattering of weed seeds from uncovered trucks. Such seeds are often responsible for starting serious weed infestations in areas which were previously clean. Covering trucks with a tarpaulin, says Mr. Lobay, will certainly help the situation.

He also points out that animals being fed screenings must be kept in an appropriate enclosure which is subject to the approval of a weed inspector. Many new infestations are started by weed seeds that have passed unharmed through the digestive tract of livestock and then been scattered over a field in their manure.

Mr. Lobay and agricultural service boards throughout the province urge farmers and truckers to do their best this year to prevent the scattering of weed seeds. To be successful with their weed control programs, all municipalities need your help.

New Stamp To be Issued

A Coat of Arms stamp, 14th and final release in a pre-centennial floral emblem series inaugurated in 1964 to honour the provinces and territories, will be released on the 30th of June, 1966, the eve of Canada's 99th birthday, Postmaster General Jean-Pierre Cote announced today.

The stamp, a logical conclusion to the floral emblem series, is issued by the Canada Post Office as a symbolic tribute to the Canadian geographic entity, Mr. Cote stated. It has as its design a blue reproduction of the Coat of Arms to the right of which, in bright red, is the 11-pointed Maple Leaf of the National Flag.

Start Work on Camp Addition

Construction started last week on a Seminar building at the Junior Farmers' Union of Alberta Camp at Goldeye Lake, West of Red Deer.

Construction of the $20,000 classroom complex and renovations to the kitchen area of the main pavilion is being financed by Federated Co-ops, Alberta Wheat Pool, United Grain Growers, who have contributed equal amounts totalling $30,000 for the project.

The Seminar Building, which is expected to be in operation for this summer's camp sessions, will measure 40 feet by 70 feet, and will consist of five classrooms flanking a central hallway, washrooms, etc.

Nobody's opinions are worthless. Even a stopped clock is right twice a day.

Water Skiing
WITH CLINT WARD

Increase your water ski pleasure and lengthen your season with a wet-suit.

Useful In The Spring and Fall: a wet-suit can also be used to advantage during chilly summer days or early morning practice sessions. A good wet-suit can add at least three months to your water ski season. Made of 3/16 inch neoprene rubber, a water ski wet-suit should be nylon lined so that it is easy to get in and out of. The suit will come in two pieces and the jacket should be equipped with a heavy-duty zipper.

Wet-Suits Require Care: A wet-suit will tear easily if caught on a sharp object. Fortunately, repairs are easy and can be made on the spot using a good neoprene rubber cement.

An Advantage of a wet-suit is its flotation properties. It can be used instead of a belt or jacket in all events except jumping.

Drayton Valley Flower Show

Sponsored by The Women's Institute

Wednesday, August 17th

In The Elk's Community Hall

1. All exhibits must be the property of the exhibitor and must have been in his or her possession for at least two months previous to the time of showing.
2. All exhibits must be in the hands of the directors in charge, not later than 11:00 a.m. Judging will commence at 12:00 noon.
3. All exhibits shall have allotted to them the tag provided by the society. All entries should be correctly and distinctly named, and where possible, the kind or variety should be stated.
4. In classes where a number is specified, as for instance, "six spikes of sweet peas" more or less than the number will disqualify.
5. Not more than one member of a family may exhibit in any one class. No exhibitor may enter more than one exhibit in a class.
6. Exhibitors to supply plain glass jars, unless otherwise specified.
7. In the case of arrangements container will also be judged.
8. The judges decision shall be final.
9. First, Second and Third prize ribbons will be awarded.
10. The flower Show will be open to the public from 2:00 p.m. to 4:30 p.m. Admission will be 50¢ (tea included) for adults. Children will be admitted free if accompanied by parents.
11. Flowers not collected by the exhibitor by 5:00 p.m. will be donated to the local hospital.
12. Entry fees will be 10¢ per class.

Class List

CLASS
1 Asters - three blooms - any variety.
2 Calendula - six blooms - any variety - any color

NOTE

Should your exhibits be something less than perfect due to weather conditions remember we shall all be exhibiting under the same handicap.
Watch The Western Review for information re trophies.

Canada's 4-H movement was again given top level recognition when a youth travel grant of $15,000.00 was awarded last week to the Canadian Council on 4-H Clubs by the Centennial Commission.

In achnowledging the grant, Council President D. B. Young remarked that this would result in more 4-H Club members participating in educational travel programs than ever before in the movement's 53 year history.

Cadets Enjoy Dance

Members of the local Air Cadet Squadron and their dates enjoyed an evening of dancing recently to wind-up activities of Air Cadet Week. Shown above preparing to enjoy a delicious buffet supper prepared by mothers of the cadets are, left to right, Claudette Coutu, Thomas Cameron, Ron Pajak, Alan Schultz and Carol McGaughey.

Concert By P.P.C.L.I. Band

Last Wednesday evening, the Frank Maddock High School auditorium was the scene of a performance of the P.P.C.L.I. Band. Approximately 125 people attended this concert which was sponsored by the Drayton Valley and District Chamber of Commerce.

The band, directed and conducted by Lieut. George Naylor, played a wide variety of numbers ranging from negro spirituals to bliss and nonsense and the songs we used to sing "way back when." The repertoire also included popular music comedy selections, light overtures and various marches.

Amongst the selections were: The Man on The Flying Trapeze, River Jordan, Holiday for Trombones, Florentina March and Burnished Brass.

A special request was made by Mr. Johanneson on behalf of the audience for "The Sound of Music". The band very willingly complied and all those present were delighted.

The Expo Stadium will seat 25,000.

'HENRY' THE BARBER

formerly of Drayton Valley wishes to announce that he will be opening a new Barber Shop in STANG'S JEWELERY.

He hopes to meet all his old customers and friends.

St. Anthony's Separate School Board - 2nd Sunday each month.

PLEASE NOTE -- Secretaries or Executive members of local organizations are asked to check this column and keep The Western Review informed of changes in meeting dates, plans etc. ---Please do not let an error continue running.

Announce Cadet Awards

Over 575 top Air Cadets from across the country learned recently that they had been selected for a variety of special training awards to be provided this summer by Air Cadet League of Canada and the Royal Canadian Air Force.

Chosen as outstanding representatives of the 28,000 air cadets presently serving in 369 squadrons across Canada, the award-winning youngsters have qualified for pilot's courses, leadership training, a bush familiarization course, and goodwill trips to the United States, United Kingdom and eleven other European countries.

Two cadets from the local #733 Squadron, Sgt. Tom Cameron and Cpl. Rick Meston, won flying scholarship awards and will be attending flying school this summer. Cpl. Meston qualified for his scholarship through the Air Cadet League and Sgt. Cameron will be sponsored by the Royal Canadian Legion #269, Farmers Union of Alberta, O.O.R.P., All Saints Anglican Women's Auxiliary and Drayton Valley Women's Institute.

The most sought-after award as far as Air Cadets are concerned is the League's goodwill "exchange visits" project, involving educational trips to thirteen different countries. Fifteen cadets will tour the United States, another party of twenty-five will holiday in Great Britain; and eleven parties of two cadets each will travel to Norway, Sweden, Holland, Denmark, France, Belgium, West Germany, Israel, Turkey, Switzerland and Austria.

Another coveted award is an RCAF flying scholarship covering 35 hours of pilot training at a civilian flying club or school. The five weeks' course for 250 cadets commences during the early part of July and leads to the award of Air Cadet "wings" as well as private pilot licenses for successful graduates. The RCAF scheme will be supplemented by the granting of a large number of private scholarships provided by civilian sponsoring committees of the League.

CORRECTION

In the Drayton Valley Municipal Hospital Auxiliary annual report: Thanks is extended to the Calvary Baptist Church for the sewing of baby clothes.

Thank you also goes to St. Anthony's C.W.L. for their baby clothes project.

4-H Achievement Day

Members of the Tomahawk 4-H Clothing Club are shown above with some of their sewing projects on the table before them. The club held its Achievement Night in the Tomahawk Hall on Monday, May 9th and had projects judged and commented on by Mrs. L. Jubenvill, Home Economist for Stony Plain and Strathcona Counties and Miss L. Lund of the Summer 4-H Staff, Department of Agriculture. Shown in the photo are, back row, left to right: Miss Lund, Mrs. Jubenvill, Emily Duckett, Mrs. Dorothy Domke, Assistant Leader, Gail Lukaniuk, and Mrs. Olive Jouan, Leader. Front row, left to right: Rita Peskunowicz, Myrna Wickware, Bernice Martin, Donna Jouan, Elaine Jouan, Donna Peskunowicz, Joyce Jouan and Becky Bly.

Tomahawk News

Joyce Jouan
Correspondent

The girls of the Tomahawk 4-H Clothing Club held their annual 4-H Achievement Night on May 9th at 8:00 p.m. in the Community Hall.

Present were Mrs. Jubenvill District Home Economist and Miss Lund, who assisted in the judging of each members garments.

The program was opened by the Mistress of Ceremonies, Becky Bly, calling upon Gail Lukaniuk and Joyce Jouan to play a piano duet. A report of the year's events was given by Emily Duckett followed by a demonstration entitled "Pattern Markings" by Elaine Jouan. An interesting talk was given by Donna Peskunowicz on her trip to Olds. Three swinging Hawaiian girls, Donna Jouan, Rita Peskunowicz and Myrna Wickware, performed a Hawaiian Dance. Then came the dress review in which all of the girls modeled the clothes which they had made.

A note of thanks to everyone was given by Bernice Martin.

Comments were made by the judges on the articles made.

The program was concluded by a swinging Hootenany, then followed by lunch.

Bonnie Martin, a third year member, was unable to attend because of an operation.

Rudolph Zander is in hospital recovering from an operation on May 11th.

Tomahawk defeated Entwistle on May 10th. Scores were: 29 to 4 for the girls and 21 to 2 for the boys.

On May 11th Seba was defeated by Tomahawk. Scores were: 17 to 16 for the boys and 20 to 14 for the girls.

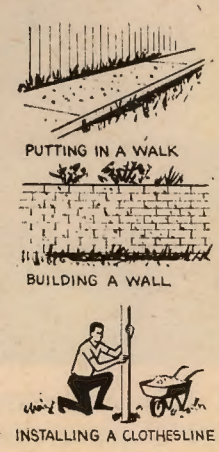
INSTANT CONCRETE

JUST ADD WATER!

RED-E-CRETE the pre-mixed concrete

Whether you're putting in a walk, building a wall, installing a clothesline or repairing the stucco on your house, there's a RED-E-CRETE mix to help you do it yourself . . . and save!

RED-E-CRETE is simple, neat and quick.



* No need to haul separate materials.
* No mixing guesswork.
* Each bag is thoroughly pre-mixed.
* Scientifically formulated to ensure best results.

YOUR CHOICE OF 5 HANDY MIXES IN CONVENIENT 60-LB. BAGS.

1. Concrete.
2. Concrete Topping.
3. Mortar Mix.
4. Exterior Stucco.
5. Plaster Patch.

Also try RED-E-CRETE Concrete Glue — permanently bonds new concrete to old; bonds tile, brick, redcap, etc.

"RED-E-CRETE makes a hobby out of jobs that used to be work."

Manufactured by
Edmonton Concrete Block Co. Ltd.

Available at all leading building supply dealers and hardware stores.

Centennial Tree Planting

Mrs. Mary Burrows, with assistance from Danny Thompson (left) and Greg Hansen plants one of the trees around the outside perimeter of the Drayton Valley Cemetery. The tree planting, a Centennial project by the Women's Institute, took place Monday, May 9th. Assisting members of the W.I. in the undertaking were boys from Grade 9 and their teachers from the Frank Maddock High School.

BERRYMOOR NEWS

Mrs. Bea Cropley, Correspondent

The Robson clan gathered at their parents home for a family reunion and banquet on April 30th in honor of Grandpa Robson's eightieth birthday. Everyone managed to get there but one grandson. Mr. Robson lived on his farm in Carnwood for many years. When he retired he built a home in Lindale. Many happy returns of the day to Grandpa Robson from all his friends and neighbors.

The Berrymoor P.H. Lifeliners wish to thank everyone who attended the bean supper and film at Lindale Hall on Friday night, May 6th. Folks were there from Breton, Drayton Valley, Warburg and Poplar Valley as well as from Carnwood, Lindale and Berrymoor. The proceeds from the supper will go into a fund to buy a projector for the church.

Mr. and Mrs. Rogers and Adele of Burtonsville attended services at the Berrymoor P.H. Church on Sunday, May 1st. They spent the rest of the day visiting Mr. and Mrs. A. Wideman.

Mr. and Mrs. Harold Hansen of Edmonton spent the Mother's Day weekend visiting Mrs. Hansen's mother Mrs. Hattie Barrett. Mr. and Mrs. Jack Barrett and family also had dinner with Mrs. Barrett on Mother's Day.

Mrs. Jerry Jacobson and children motored from Sylvan Lake to spend Mother's Day with her parents, Mr. and Mrs. Geo. Martin.

Cement was poured on Thursday for the basement of Gilchrist's new home. They are looking forward to moving in in the near future.

Get well wishes go out to Grandpa Robson who has been a patient in the Drayton Valley Hospital for the last few days.

Pat Gavigan has presented his wife with a car and she is bravely learning to drive. Good for you, Dorothy.

We are sorry to report that Mr. Frank Anderson died as a result of a fall down the basement steps on Thursday, May 12th. Mr. Anderson was 85 years of age at the time of his death.

Rocky Rapids News

Eileen Belva, Correspondent

Mr. and Mrs. Wm. Louth returned from their Ontario holiday and report having a very nice time.

Our sympathy is extended to Mr. Vern Glubs and Mrs. Emmi Freier on the death of their sister and the daughter of Mr. and Mrs. Wm. Glubs.

As well as a sad week in the Glubs household it has been a happy one as well for Mrs. Vern Glubs as on Sunday she met her parents, Mr. and Mrs. Black at the international airport who have come for a two month visit. It has been six years since Adel took a trip to Germany to see her family.

Congratulations to Mr. Art Eisner who has opened a blacksmith and welding shop here.

Congratulations are extended to Mr. and Mrs. Allan Disney (nee Ruth Dusterhoft) who were married on May 14th.

Home from Rocky Mountain House was Clifford Lindskoog to spend the weekend with his parents.

Mrs. Ester Davidson has her niece and hephew, Cindy Bea and Greig Lebirk visiting for a couple of weeks.

Get well wishes are extended to Romeo Guyon in Drayton Valley Hospital and we were glad to hear Mrs. Floyd Combs is home and on the mend after her stay in hospital.

Drayton Valley Girl Winner in Coca Cola Contest

Darlene Tocheniuk

Darlene Tocheniuk of Drayton Valley is a lucky winner in the "New You" contest sponsored by the Coca Cola Company, and she has won a complete wardrobe by sending her name and address to Edmonton along with an entry form.

Darlene was first notified that her name had been drawn on the third of this month. The gentleman who phoned from the city informed her that a letter would be sent within the next two days on which she would find a skill-testing question. This question must be answered correctly in order for her to obtain the prize. When the letter finally arrived, Darlene was relieved to find the question was simply: What is the name of the capital city of the province in which you live?

The second draw was made one week later and Darlene emerged a winner for a second time, her prize being a complete set of Cutex Beauty Aids.

Now her entry has been sent to Toronto for the big draw in which the winner will receive a trip to Paris for two plus $3,000 spending money. And who knows?... They say luck always comes in threes.

RAMONA NEWS

Mrs. Wood, Correspondent

A bridal shower was held last Saturday evening in the Ramona Hall to honor Miss Maryanne Pollard. Many friends and neighbors were present and lots of gifts were received by Maryanne.

Mr. and Mrs. Jim Blake and son Ivan spent a long weekend at Vermillion visiting family and friends.

Mr. and Mrs. John Melnyk rushed their son Dennis in to the hospital in Edmonton this week for an emergency. We wish Dennis a speedy recovery.

LEGION BINGO

SATURDAY, MAY 21st - JACKPOT $65.00

8:00 P.M.

THE Royal Canadian Legion

BRANCH NO. 269

Most people would [illegible] juggling in the accepted manner would be complicated enough for anyone -- well, Mlle. Esther does it the hard way - she juggles with her feet. If you think that isn't difficult - just try it sometime.
Mlle. Esther will perform in the Edmonton Shrine Circus on May 23rd to 28th at the Edmonton Northlands Race Track (Exhibition Grandstand). Show times are 10:30 a.m., 2:30 p.m. and 8:30 p.m. Monday and Saturday. From Tuesday through to Friday showtimes are 4:30 p.m. and 8:30 p.m. Tickets can be bought from any member of the Rotary Club in Drayton Valley displaying the circus sign.

'Angels' to Hold Meeting

The Drayton Valley Angels, the ladies fastball club, will hold their annual meeting on Thursday, May 26th at 8:00 p.m. in the recreation room at the Town Hall.

There is a possibility of a league being formed and all ladies interested in playing fastball are asked to attend. There is no age limit for players on the team.

The club, however, needs a coach and anyone interested in taking on the position is welcome to attend the meeting.

LEGION NEWS

This is the first of what is hoped will be a regular feature in this paper. It's success will to a large degree depend on the response it receives from Legion and Auxilliary members and the general public. The news column for the time being will appear once a month, about the middle of the month. This will give Legion members a chance to bring up matters of business at the next meeting that were touched on at a previous meeting. It will also replace the president's news letter which has been going out to members periodically. The news column will also carry coming events reminders, as well as brief reports on Legion activities within the community.

At the last general meeting the highlight was the report from Comrades Dean and Wardlow on the Dominion Convention held in Montreal. Space here does not permit full report but any members interested in the business covered can read copies at the Legion Hall.

Jim and Ken paid a visit to the Office of the Mayor of Montreal and on behalf of Mayor Pickup and the Town of Drayton Valley presented him with a desk set on which was mounted a split oil bearing drill core. The boys report they were afforded an excellent reception.

Members will also be interested, as will the general public that consideration is being given to erecting a cenotaph within the town. Several suggestions are under consideration as is a proposed site. Cost factors are now being determined by an appointed committee and pending their report the project will likely be undertaken as the Legions Centennial Project

Welfare Committee reports that the copies of the Journal delivered to the hospital daily are being well received and patients have extended a sincere thanks. Especially those that are confined for long periods of time and find it difficult to keep up with current events. The Legion thanks Berdette Lilje for his help here.

Members are reminded of the forthcoming District Rally at Jasper Place Branch, Edmonton and anyone interested in going is asked to contact the secretary. The Rally is scheduled for Sunday, May 29th

Members whose 1966 dues are unpaid are reminded that their subscription to the Legionnary will expire with this month's issue unless dues are paid forthwith. Any veteran who is presently not a Legion member is asked to join now. Activity was never higher nor the time more right.

Last but not least, members are reminded that the next general meeting is June 1st. Incidentally, at the last meeting we had the highest percentage of attendance in the last two years. Let's all turn out and see if we can't keep this attendance figure

Speaker at Baptist Church

Rev. Ernest Wilson of Panama, Central America, will speak at Calvary Baptist Church on Sunday, May 22nd at 11:00 a.m. and 7:30 p.m. and on Monday, May 23rd at 8:00 p.m.

He was president of Youth for Christ in Philadelphia for ten years; is assistant Dean of Manna Bible Institute in Philadelphia, Penn., and has taught for twenty years, and was the former president of the Afro-American Missionary Crusade.

As an Evangelist he has been to Costa Rica, Panama, Jamaica, Barbados, Dominica Antigua, the United States and Canada, and twice to Africa.

At present Mr. Wilson is engaged in a ministry of "Sharing Jesus in Revival" around the United States and in Canada.

During 1965 he ministered in England, countries of East Africa, Switzerland and Holland.

This year he has ministered to Churches in the Eastern United States and in California. During May and the early part of June he is ministering Churches in the province of Alberta and will return to the States in June and has been asked to minister in Dominica and the West Indies and in Germany.

A TERRIFIC VALUE FOR ONLY $219.96

Missionaries to Speak at Calvary Baptist Church

Guest speakers from various mission fields will represent Ethiopia and the Philippine Islands during the evenings of Friday and Saturday, May 20th and 21st at 8:00 p.m. each evening in Calvary Baptist Church.

Miss Marjorie Malm has completed two terms of service in Ethiopia, with responsibilities for the Baptist Mission Elementary School in a rural area of the Pocoggi District.

Her main work has been supervising five Ethiopian teachers who teach about 130 pupils in Grades one through five. She has sought to train the native teachers and to turn over to them the school administrative details as well as classroom duties. Whenever school duties could be put aside, she spent time with the women of the area.

Rev. Wilbert Chesbro was born in Los Angeles, California. Three years after high school he was called into the U.S. Army following which he spent four years at the Bible Institute of Los Angeles and received his B.A. degree.

Since 1955 he has spent two five year terms on the Island of Cebu helping to establish new churches. They had some unusual experiences in the Philippines, including being lost in a typhoon while riding the sister ship of one that had sunk in a previous typhoon, being caught in a small outrigger and fighting fire in Masbate town.

These meetings are for the public without admission

Miss Marjorie Mal
